

# THINK OUT OF THE BOX

Are you finding it hard to keep up with the continuous demand from internal departments?

You have another event to promote, or another environmental initiative, perhaps a Council Plan or the dreaded Annual Report!

It's never ending!

Out of the Box Consulting is here to offer our expertise and assistance to help take the pressure off.

We are Local Government marketing, communication and graphic design experts!

Our team has over 20 years combined experience delivering marketing, communications and graphic design in local government.

We can provide a whole package including planning, writing content, design, print and implementation.

## OUR SERVICES INCLUDE:

- Branding and Signage
- Event Promotion
- Marketing Campaigns plans & implementation
- Annual and Strategic Reports
- Flyers, posters, stickers and booklets
- Strategic communications
- Internal Communication
- Social Media
- Media Releases

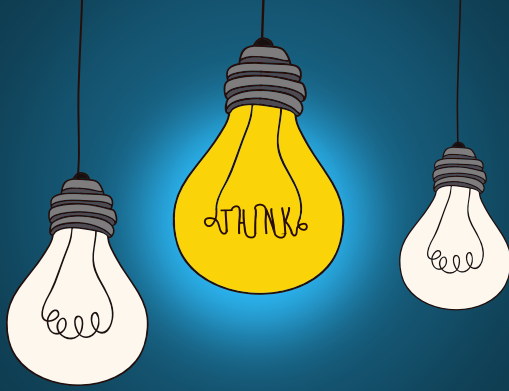

plus more...

Take the pressure off your busy communications team.

Let us do what we do best and give you quality reliable and knowledgeable service at a reasonable cost.
